

ProfessionalSourceUSA

Job Source USA, Inc. introduces our new division, Professional Source USA.

Our mission statement is to become the "Employer's Choice in Staffing" through a unique way of exhibiting professionalism in the staffing industry. This mindset and approach focuses on both our clients, but pays very careful attention to the well being of our employees. Doing so creates both a distinctive competitive advantage and a tight knit 'partnership' with the clients we are privileged to have the opportunity to work with.

Strategically Sourced Talent.

- Skills testing gives you the power to identify and select the most talented candidates and employees.

All Levels of Professional Placement.

- With the capability of over 900 validated assessments, we utilize superior technology to test candidates to match your needs.

Demonstrate, Verify, and Prove It!

- Hundreds of skills and behavioral assessments for clerical, customer service, software, technical, call center, industrial, financial, legal, medical, and much more!
